CASE NO. 19-MSUB-0012

CERTIFICATE OF RESERVATION OF GAS, ELECTRIC & TELECOMM. EASEMENTS

The spaces outlined by dashed lines and marked "Gas, Electric and Telecommunication Easement", "Gas Easement" or "Electric and Telecommunication Easement" are hereby reserved as easements for gas, electric and telecommunication utility purposes, which include: (1) the right of ingress and egress to and from the easements across all lots, access areas, ways and other easements; (2) the right to trim or cut down any trees within the easement; (3) the right to trim or cut down any trees outside easement area within 10' of the closest conductor within the easement of a public way; (4) the right to cut down or trim any trees on private property that may be so defective as to present a hazard to the utility lines after reasonable notice to the property owner; (5) the right of any utility company using said easement to remove permanent structures or obstructions within said easement. No permanent structures shall be erected within the easement. Fences, shrubbery, and gardens may occupy easement area at property owner's risk. The developer is to remove all trees that may interfere with the original construction of the gas, electric and/or telecommunication lines to serve this subdivision.

(A) All property owners gas and electric utility service lines shall be underground at locations designated by Louisville Gas and Electric Company (from LG & E's termination point throughout length of service lines to customer's building) and title thereto shall remain in, and the cost of installation and maintenance thereof shall be borne individually by the respective lot owner upon which the said service line is located. Appropriate easements are hereby dedicated and reserved to each property owner together with the right ingress and egress over abutting lots or properties to install, operate and maintain electric service to LG & E's termination points. Gas and Electric service lines, as installed, shall determine the exact location of said easements.

(B) The gas, electric and telecommunication easements shown on this plat shall be maintained and preserved in their present condition and no encroachment therein and no change in the grade or elevation thereof shall be made by any person or lot owner without the consent of the Louisville Gas and Electric Company and Bell South Telecommunications, Inc.

(C) Easements for overhead electric transmission and distribution feeder lines, poles and equipment appropriate in connection therewith are reserved over, across and under all spaces (including park, open and drainage space areas), outlined by dashed lines and designated for underground and overhead facilities. Above ground electric transformers and pedestals may be installed at appropriate points in any electric easement.

In consideration of LG & E's bringing service to the property shown on this plat it is granted the right to make further extensions of its lines from all overhead and underground distribution lines.

(D) Above ground telecommunication facilities and pedestals may be installed at appropriate points in any telecommunication easement.

NOTE
Also the right to overhang lots with service wires to serve adjoining lots.

CERTIFICATE OF RESERVATION OF SANITARY SEWER AND DRAINAGE EASEMENTS

An easement for sanitary and drainage purposes is hereby reserved on, over and under the strips of land and spaces defined and bounded by dashed lines marked "Sanitary Sewer and Drainage Easement". MSD or others authorized by MSD have the right of ingress and egress over within these easements at all times for the purpose of constructing, operating, maintaining, repairing and reconstructing sanitary sewers, drains, and related equipment, structures or materials, hereinafter referred to as appurtenances, under MSD's jurisdiction, control, and supervision. Nothing shall be placed in, on, over or under the sanitary sewer and drainage easement which will obstruct or interfere with the purposes of said easement. The easement does not imply release or waiver by MSD of rights to land owners and their property to sewer rates, drainage fees, rentals and other charges, including special assessments, as may be authorized by law. MSD covenants that it will assume full responsibility for claims resulting from damage to any land, improvement, or the environment within or outside the sanitary sewer and drainage easement granted herein, or to any land or improvements used for ingress and egress to such easement, caused by MSD during construction, operation, maintenance, repair or reconstruction of said sanitary sewers, drains, and appurtenances unless damage is caused by the placing of any structure within or outside the easement in violation of this certificate, in such case no liability will be assumed by MSD. (MSD CERT ESMT 8/17/20)
